ABOUT AIT DECOR

AIT DECOR - A premium Vietnamese exterior and interior design brand in Hanoi with many unique and trendy product designs.

Established in 1996, AIT DECOR is proud to continue being the top furniture design brand that a lot of customers have chosen.

We are specialized in providing premium quality interior furniture for the living room, such as sofas, inox galvanized with gold tea tables, decorative tables, console tables and TV stands.

We are also excellent in producing outdoor furniture made from metals, woods, plastic and artificial rattan. These products are high quality, durable, easy to clean and require little to none effort to maintain.

We provide the best service to our customers with high quality furniture that meets any international standard. All our customers are free to modify AIT DECOR's design in order to fit their personal needs and tastes. Therefore, if you have any new unique design in your mind, please do not hesitate to contact us to make it become a true masterpiece.

AIT DECOR always use high standard materials to ensure quality and durability of finished products. The frame is made of iron zinc and inox 304 powdered and the quality control process is very strict, which helps creating durable and safe products. We are proud to be partner of USA's and Indonesia's best outdoor fabric makers - sunbrella fabric and sunproof fabric.

Our own manufactory and our qualified team of creative and talented designers are always looking for upcoming trends in the exterior and interior design field. Therefore, each product from AIT DECOR always meets these requirements: fine taste, unique design and excellent quality. Our furniture will surely bring elegance and luxury feeling to any living space.

MODERN SOFA

NO.1 CHOICE FOR A MODERN FAMILY

A young, lively and elegant living space can't be perfect without the presence of a modern sofa.

The best unique selling point of a modern sofa is that it can be used in different settings, since it's easy to fit in with any other furniture. Besides, leaving out extra details can create a neat and clean living space feel.

SOFA FRAME

Not any type of wood is qualified to be used to make frames, in fact the sofa frame needs to be durable but light and rotting resistant even after many years of usage.

2 BEST WOODEN FRAMES AIT DECOR OFFERS

DANISH PINWOOD FRAME

- Pinewood is certified in hardness, lightness, easiness to manufacture and most importantly, rot-proof.
- It has a special smell and a beautiful color that can fit in a modern living space.

RUSSIAN OAKWOOD FRAME

- Oakwood is durable, has color ranges from dark to light yellow and veins running parallel.
- It is very resilient and water resistant, highly rot-proof since it has high contain of tannin properties.

“SOFA CUSHIONS”

All sofa cushions at AIT DECOR, imported from Korea, USA, Japan, etc., are highly dense, resilient and anti-sinking during usage, ensuring product quality and durability.

“SOFA COVER”

LEATHER AND FAUX LEATHER

- Water-proof leather has high durability also with long time usage. Moreover, real leather is a premium material that gets better with age.
- Leather sofa is easy to clean, without having to worry about water absorption issue; the material is highly breathable when you sit down and it brings elegance to the living space.
- Faux leather has the appearance of real leather, but brighter and more affordable than the real leather.

FELT MATERIAL

- Comfier, warmer than other materials in the winter and available in many beautiful designs. Great material for family with kids since it's easier to clean.
